

# Septoplasty and Turbinectomy Packages

A surgical procedure to straighten the bone and cartilage dividing the space between the nostrils (septum). The surgical procedure may also be performed to treat chronic sinusitis, nasal polyps and other conditions that cause blockage

A turbinoplasty may be performed at the same time to reduce the size of swellings (turbinates) that are present on the side wall of the nasal passageways.

**Price From:**

**\$74,700**

## Package Price (including hospital and doctor fees)

	Standard Room	Twin Room	Private Room
Septoplasty + turbinoplasty	\$74,700	\$101,500	\$131,600

## Prices Include:

- Room (2 nights) and meals
- Specialist fees
- Nursing care
- Operating theatre
- Drugs and dressing

## Terms and Conditions:

- The above charges do not include procedures, additional charges on specialist fee and other laboratory or imaging tests, treatment and a medication beyond those included in the package.
- A specialist booking is required for this procedure.
- Other extra charges include emergency or unsocial hours services beyond the routine procedures; procedures extending beyond the scheduled operating theatre time; and miscellaneous items such as extra refreshments and IDD telephone calls.
