

# Cancer Screening Package

Cancer is the second leading cause of death worldwide. This comprehensive cancer screening package mainly employs a Full body MRI (Magnetic Resonance Imaging) Scan, a Low Dose CT (Computed tomography) lung scan and blood tumour markers to detect potential risks for an asymptomatic patient. This is a full day, same-day discharge health check, taking around six to seven hours to complete.

## PRICE:

HK\$

**21,300 (Male)**

**22,900 (Female)**
